PHILIPS

Wired keyboard
Plug and play Multimedia shortcuts, Splash-resistant design

SPK6207BL/00

Highlights

Plug-and-play

Simple plug-and-play wired USB connections

Keystrokes for durability

Keys last millions of keystrokes for durability

Stylish design

The design is adjusted to be the most suitable for ergonomics after rounds of user surveys, and also takes into account having a stylish, slim appearance and saving space.

Super-responsive keys

Super-responsive keys feel great and offer high performance

Multi-media shortcuts

With these multi-media shortcuts, you can easily switch to music, volume or video play by a simple click.

Laser-engraved keys

Laser-engraved keys look great, are easy to read and last longer. A premium choice.

Water-resistant keys

Life can be messy. With this water-resistant keyboard, the occasional spill or spray is no problem. These keyboards are built to last.
