# PHILIPS

Wireless keyboard-mouse combo  
2.4GHz Wireless Intelligent power saving, Multi-media shortcuts

SPT6307BL/94

# Highlights

## Keystrokes for durability

Keys last millions of keystrokes for durability

## 2.4G wireless connection

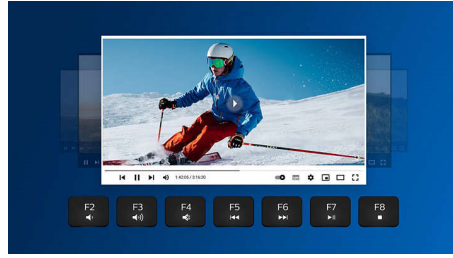

Keep the computer wires at bay. For any keyboard/mouse equipped with this feature, you can connect the accessory to any PC via a speedy 2.4GHz wireless connection. The simple setup process, along with the accessory's sleek design, is sure to leave your workspace looking clean and wire-free.

## Reduced the click sound

It has the same click feel without the click noise, which gives you more focus on your work.

## multi-media shortcuts

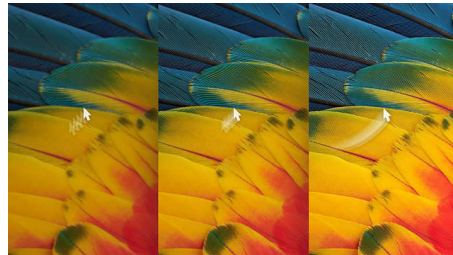

With these multi-media shortcuts, you can easily switch to music, volume, or video play by a simple click.

## Intelligent power saving

With the intelligent power saving function, this combo can go into standby and therefore save power when not in use.

## Up to 1,600 DPI

This mouse delivers precision tracking up to 1,600 DPI with higher smoothing and accuracy.
