PHILIPS

Wireless keyboard
2.4GHz Wireless Multimedia shortcuts, Intelligent power saving

SPK6507B/00

Highlights
Keystrokes for durability

Keys last millions of keystrokes for durability

### 2.4G wireless connection

Keep the computer wires at bay. For any keyboard/ mouse equipped with this feature, you can connect the accessory to any PC via a speedy 2.4Hz wireless connection. The simple setup process, along with the accessory's sleek design, is sure to leave your workspace looking clean and wire-free.
Ergonomic palm rest

The palm rest helps position your hands comfortably on the keyboard, and offers a comfortable place to rest your palms when you are not typing.
multi-media shortcuts

With these multi-media shortcuts, you can easily switch to music, volume, or video play by a simple click.

### Intelligent power saving

With the intelligent power saving function, this keyboard can go into standby and therefore save power when not in use.

Laser engraved keys

Laser-engraved keys look great, are easy to read and last longer. A premium choice.

Low-profile keys

The low-profile keys add a stylish look and are quick and responsive for typing.
