PHILIPS

Wireless keyboard-mouse combo
Multi-device functionality Detachable palm rest, Low-profile design, Up to 3200 DPI (adjustable)

SPT6607B/39

Highlights

2.4 G wireless connection

Keep the computer wires at bay. For any keyboard/mouse equipped with this feature, you can connect the accessory to any PC via a speedy 2.4 Hz wireless connection. The simple setup process, along with the accessory's sleek design, is sure to leave your workspace looking clean and wire-free.

Pair it with up to 3 devices

Beautiful work-on-everything keyboard mouse combo with easy switching between three devices, including any computer, tablet or smartphone. Rewrite the rules of working from one device; simply switch and go.

Ergonomic palm rest

The palm rest helps position your hands comfortably on the keyboard, and offers a comfortable place to rest your palms when you are not typing.

Multi-media shortcuts

With these multi-media shortcuts, you can easily switch to music, volume or video play by a simple click.

Intelligent power saving

With the intelligent power-saving function, this combo can go into standby and therefore save power when not in use.

Low-profile keys

The low-profile keys add a stylish look and are quick and responsive for typing.

Multi-OS compatibility

Compatible with iOS, MAC and Windows, you can easily switch among them via shortcuts.

Up to 3,200 DPI

This mouse delivers 800/1200/1600/2400/3200 5 levels precision tracking. Up to 3,200 DPI gives higher smoothing and accuracy.
