PHILIPS

Highlights

Keystrokes for durability

Keys last millions of keystrokes for durability

Stylish design

The design is adjusted to be the most suitable for ergonomics after rounds of user surveys, and also takes into account having a stylish, slim appearance and saving space.

Super-responsive keys

Super-responsive keys feel great and offer high performance
2.4 G wireless connection

Keep the computer wires at bay. For any keyboard/ mouse equipped with this feature, you can connect the accessory to any PC via a speedy 2.4 Hz wireless connection. The simple setup process, along with the accessory's sleek design, is sure to leave your workspace looking clean and wire-free.
Multi-media shortcuts

With these multi-media shortcuts, you can easily switch to music, volume or video play by a simple click.

Intelligent power saving

With the intelligent power-saving function, this keyboard can go into standby and therefore save power when not in use.

Laser-engraved keys

Laser-engraved keys look great, are easy to read and last longer. A premium choice.
