Highlights

2.4G wireless connection

Keep the computer wires at bay. For any keyboard/mouse equipped with this feature, you can connect the accessory to any PC via a speedy 2.4Hz wireless connection. The simple setup process, along with the accessory's sleek design, is sure to leave your workspace looking clean and wire-free.

Pair it with up to 3 devices

Beautiful work-on-everything keyboard mouse combo with easy switching between three devices, including any computer, tablet and smartphone. Rewrite the rules of working for one device, you can easily switch and go.

multi-media shortcuts

With these multi-media shortcuts, you can easily switch to music, volume, or video play by a simple click.

Intelligent power saving

With the intelligent power saving function, this combo can go into standby and therefore save power when not in use.

Up to 1,600 DPI

This mouse delivers precision tracking up to 1,600 DPI with higher smoothing and accuracy.

Low-profile keys

The low-profile keys add a stylish look and are quick and responsive for typing.

Multi-OS compatibility

Compatible with iOS, MAC, and Windows, you can easily switch among them via shortcuts.
