# Highlights

## Simple All-in-One solution

This simple client mounting bracket allows for a simple low-cost solution to create a clutter-free all-in-one desktop computing form factor that makes efficient use of space-constrained environments.

## Easy to set up and use

The client mounting bracket fits right on to Philips's award-winning commercial monitor SmartErgoBase for easy PC and Thin Client mounting.

## VESA mounting pattern

Industry-standard VESA mounting holes guarantee mounting compatibility with most small form factor PCs and Thin Clients.

## Ergonomic adjustability

The client mounting bracket's clever design allows for full ergonomic adjustments (height, swivel, tilt) on the Philips SmartErgoBase
