Highlights

Keystrokes for durability

Keys last millions of keystrokes for durability

2.4 GHz wireless connection

Keep the computer wires at bay. For any keyboard/mouse equipped with this feature, you can connect the accessory to any PC via a speedy 2.4 GHz wireless connection. The simple setup process, along with the accessory's sleek design, is sure to leave your workspace looking clean and wire-free.

Ergonomic palm rest

The palm rest helps position your hands comfortably on the keyboard, and offers a comfortable place to rest your palms when you are not typing.

Multi-media shortcuts

With these multi-media shortcuts, you can easily switch to music, volume or video play by a simple click.

Intelligent power saving

With the intelligent power-saving function, this keyboard can go into standby and therefore save power when not in use.

Laser-engraved keys

Laser-engraved keys look great, are easy to read and last longer. A premium choice.

Low-profile keys

The low-profile keys add a stylish look and are quick and responsive for typing.
