Perfect for smaller spaces

Whether it's a series in bed, the news while you cook or an additional monitor for your workspace, this compact TV has you covered. It's available in a range of screen sizes, and our packaging and inserts use recycled cardboard and paper.

Sizes

24-inch, 32-inch and 43-inch

LED TV

Love everything you watch on this LED TV. Philips Pixel Plus HD engine optimises picture quality to deliver sharp images, rich colours and smooth motion. You get the best possible viewing experience every time.

Pixel Plus HD

Philips Pixel Plus HD engine optimises picture quality to deliver crisp images with beautiful contrast. So whether you are streaming online or watching cable TV, you will enjoy sharper images with brighter whites and deeper blacks.

Versatile connections

Plug a dongle into one of the TV's HDMI ports and enjoy smart TV features from your favourite streaming providers. You can also use the HDMI ports to connect your console, or you can use the USB port to play music from a USB drive.

Connections

2x HDMI ports. 1x USB port.

* EPG and actual visibility (up to 8 days) is country- and operator-dependent.

* The TV supports DVB reception for 'Free to air' broadcast. Specific DVB operators may not be supported. An up to date list can be found in the FAQ section of the Philips support website. For some operators Conditional Access and subscription are required. Contact your operator for more information.

* This television contains lead only in certain parts or components where no technology alternatives exist in accordance with existing exemption clauses under the RoHS Directive.
