# PHILIPS

# Highlights

## Keystrokes for durability

Keys last millions of keystrokes for durability

## Stylish design

The design is adjusted to be the most suitable for ergonomics after rounds of user surveys, and also takes into account stylish, slim appearance, and space saving.

## 2.4G wireless connection

Keep the computer wires at bay. For any keyboard/mouse equipped with this feature, you can connect the accessory to any PC via a speedy 2.4Hz wireless connection. The simple setup process, along with the accessory's sleek design, is sure to leave your workspace looking clean and wire-free.

## multi-media shortcuts

With these multi-media shortcuts, you can easily switch to music, volume, or video play by a simple click.

## Intelligent power saving

With the intelligent power saving function, this keyboard can go into standby and therefore save power when not in use.

## Laser engraved keys

Laser-engraved keys look great, are easy to read and last longer. A premium choice.
