PHILIPS

Wireless keyboard
Multi-device functionality Multimedia shortcuts, Intelligent power saving

SPK6407B/00

Highlights

Keystrokes for durability

Keys last millions of keystrokes for durability

2.4G wireless connection

Keep the computer wires at bay. For any keyboard/mouse equipped with this feature, you can connect the accessory to any PC via a speedy 2.4Hz wireless connection. The simple setup process, along with the accessory's sleek design, is sure to leave your workspace looking clean and wire-free.

Supports multi devices

Type-on-anything universal keyboard. This keyboard works for your computer, but also works with your smartphone or tablet.

multi-media shortcuts

With these multi-media shortcuts, you can easily switch to music, volume, or video play by a simple click.

Intelligent power saving

With the intelligent power saving function, this keyboard can go into standby and therefore save power when not in use.

Laser engraved keys

Laser-engraved keys look great, are easy to read and last longer. A premium choice.

Multi-OS compatibility

Compatible with iOS, MAC, and Windows, you can easily switch among them via shortcuts.

Low-profile keys

The low-profile keys add a stylish look and are quick and responsive for typing.
