Highlights

Magnetic clips

Contact your healthcare professional before you use this mask. Some medical devices may be affected by magnetic fields. This mask may not be suitable for use on patients with the following conditions: recent eye surgery or dry eyes, hiatal hernia, excessive reflux, impaired cough reflex, impaired cardiac sphincter function; or on patients unable to remove the mask by themselves. Read in-pack Instructions for Use (IFU) for more information.

Interchangeable cushions

Amara gives you both gel and silicone cushion options to determine your comfort preference.

One click design

The Amara Full Face mask requires just a single click to disassemble and reassemble the cushion and the mask frame for quick cleaning and replacement.
