

Philips
Pressurised steam
generator

GC8261

Great results, minimum effort

Endless, powerful steam with 1.4 litre water tank

Powerful yet surprisingly compact, this ironing system produces non-stop, high pressure steam, making ironing fast and easy. Thanks to the 1.4 litre detachable water tank, you can iron for hours without interruption.

Fast and powerful ironing

- Continuous steam up to 120 g/min
- Up to 5 bar pressure
- Ready to use in 2 minutes with unlimited refill
- 150 g steam boost to remove stubborn creases easily

Comfortable ironing

- Lightweight iron for effortless ironing

Reaches into tricky areas

- The steam tip lets you iron in hard-to-reach areas

Smooth gliding

- SteamGlide soleplate for powerful steam and superb gliding

Iron up to 3 hours without refilling

- Extra-large detachable 1.4 litre water tank

PHILIPS

Highlights

Detachable water tank

To make ironing effortless you need a lot of steam. High steam output means a lot of refilling. The extra-large 1.4 l water tank reduces the need for refilling.

Up to 5 bar pressure

5 bar

The more steam, the faster the ironing. Consistent powerful steam is generated which penetrates deep inside the garments making ironing both faster and better. Steam power can be regulated to suit your needs.

Steam tip

The unique steam tip combines a pointed front soleplate with special steam slots in the tip to reach right into the smallest and most difficult areas, for the best ironing results.

Lightweight

The iron is only 1.2 kg making ironing easy and effortless.

Continuous steam

The more steam, the faster the ironing. The unique technology in a Philips steam generator iron generates powerful steam making ironing easier, better and faster.

Steam boost up to 150 g

The iron's 150 g steam boost enables you to easily remove even the most stubborn creases.

Steam ready in 2 minutes

Steam is ready to use in 2 minutes and can be refilled at any time during ironing.

SteamGlide Soleplate

This specially designed soleplate combines superior ceramic coating for superior gliding on all fabrics and carefully designed vents for powerful crease removal.

Specifications

Technical specifications

- Frequency: 50–60
- Voltage: 220 - 240
- Boiler wattage: 1200
- Iron wattage: 800
