SCF253/20

# Comfortable through the night

## Breast pads for night time

Unique Philips Avent breast pads SCF253/20 specially designed to help you stay dry and comfortable while sleeping.

### **Other benefits**

- Developed with breastfeeding expert
- Hygienic
- Silky soft feel

### **Optimal comfort and protection**

- All-round leakage barrier
- Overnight protection
- Ultra dry

# Highlights

## Overnight protection

The Philips Avent breast pads have wider shape and thicker core for added absorbency. Double adhesive strips to secure the pad in place.

## All-round leakage barrier

Designed for extra protection when lying down.

## Ultra dry

The Philips Avent breast pads have multiple layers for super absorbency.

## Developed with expert

Developed in collaboration with a midwife and breastfeeding advisor who has been supporting mums with breastfeeding for 20 years.

## Hygienic

Individually wrapped for extra hygiene.

## Silky soft feel

Silky soft topsheet and breathable, natural materials. Dermatologically tested.
