

Philips PerfectCare
Compact
Steam generator iron

Max 5.3 bar pump pressure

Up to 250 g steam boost
1.5-l water tank capacity
Carry lock

GC7805/20

Iron faster with 2 x more steam*

Our most compact steam generator

Powerful, continuous steam makes fast work of all your ironing, without any need to adjust temperature thanks to our OptimalTEMP technology. Compact and lightweight for easy use and storage.

Compact technology

- Large tank for long use
- Lightweight and compact for easy use and storage
- Carry lock for safe and easy transport

No temperature setting needed; no burning, guaranteed

- Independently tested and approved
- Safe on all ironable garments, guaranteed not to burn
- OptimalTEMP technology, no temperature settings required

Fast ironing with continuous powerful steam

- Save energy with ECO mode
- Calc-clean container included - no cartridges, no extra cost
- Scratch-resistant SteamGlide soleplate provides good gliding
- Powerful steam for ultimate crease removal

PHILIPS

Highlights

Ultra-powerful steam

Strong, continuous steam tackles even the thickest fabrics with ease. Watch stubborn creases melt away with an extra steam boost just where you need it. This extra steam is perfect for vertical steaming to refresh clothes and curtains, too.

No temperature setting needed

Iron everything from silk to jeans without adjusting the temperature. Thanks to OptimalTEMP, no dial or settings are needed. So there's no more pre-sorting the laundry, or waiting for the iron to heat up and cool down. You're ready for any fabric, any time.

No burns – guaranteed

Thanks to OptimalTEMP technology, we guarantee that this iron will never cause burns

to any ironable fabric. You can even leave it resting face down on your clothes or ironing board. No burns, no shine. Guaranteed.

1.5 L water tank

A 1.5 litre transparent tank gives you 1.5 hours of continuous use. See clearly how much water is left and refill easily under the tap through the large filling door.

Smart descaling

Our built-in descaling system, Smart Calc Clean, reminds you when you need to descale. It also includes a container to make descaling easy. This means no cartridges are required and there are no additional costs.

Approved by experts

The Woolmark Gold seal of approval ensures a product is safe to use on any and every wool fabric. Our steam irons with OptimalTEMP technology are the first and only irons, from any brand, to earn this level of certification.

Compact and convenient

The lightweight, compact size is perfect for storage and fits conveniently on your ironing board. Exclusive ProVelocity technology makes our steam generators smaller and more compact than ever.

SteamGlide soleplate

Our special SteamGlide soleplate smoothly glides over any fabric. It's also non stick, scratch resistant and easy to clean.

Energy saving

Save energy and get the same great results. ECO mode reduces your energy consumption for garments that require less steam.

Steam generator iron

Max 5.3 bar pump pressure Up to 250 g steam boost, 1.5-l water tank capacity, Carry lock

Specifications

Calc management

- Calc clean solution: Demineralised water

Storage

- Carry lock: For transportation and safety
- Cord storage: Velcro fix
- Hose storage: Hose storage compartment

Easy to use

- Safe on all ironable fabrics: Even delicates like silk
- Water tank capacity: 1500 ml
- Soleplate gliding performance: 4 stars
- Soleplate name: SteamGlide
- Safety auto off
- Cord freedom (swivel): 180 degree cord freedom
- Refill anytime during use
- Tap water suitable
- Power cord length: 1.8 m
- Hose length: 1.6 m
- Integrated power plug
- Precision steam tip
- Ready to use: Light indicator, Sound indicator
- Soleplate scratch resistance: 4 stars

Accessories included

- Calc clean container

Guarantee

- 2 year worldwide guarantee
