

Philips Hospitality TV

**49" Studio** DVB-T2/T/C HEVC

49HFL2849T

# Delight your guests

### with pure taste

Show your guests how much you care with this affordable Hospitality TV. You will enjoy dedicated hospitality features like a branded welcome page, installation via USB and menu and control locking.

### Advanced hotel features and future proof

- USB cloning of all settings for quick installation
- · One combined channel list for Analogue and Digital channels
- · Advanced volume control to avoid guest disturbance
- Greet your guests with a customisable welcome page
- · Prevent unauthorised use by joystick control locking
- · Installation menu locking
- Off-line channel editor to edit a channel list on a PC

### Great viewing experience and guest comfort

- USB for multimedia playback
- Low power consumption
- LED TV for images with incredible contrast

### Highlights

### Welcome page

A welcome page is displayed each time the TV set is switched on. The welcome page can be branded and customised easily at the time of installation via a simple welcome image in .png format.

### **USB** Cloning

Provides the ability to easily copy all programming and channel programming settings from one TV into other TV sets in less than a minute. The feature ensures uniformity

between TV sets and significantly reduces installation time and costs.

### **USB** (photos, music, video)

Share the fun. Connect your USB memorystick, digital camera, mp3 player or other multimedia device to the USB port on your TV to enjoy photos, videos and music with the easy to use onscreen content browser.

### Off-line channel editor

Off-line channel editor to edit a channel list on a PC

### One combined channel list

One integrated channel list for digital and analogue channels. This allows the guest to flick seamlessly between Analogue and Digital channels.

### **Advanced volume control**

With advanced volume control, you can select the start-up volume of the TV and predefine the volume range of the TV set, preventing excessive volume adjustments and avoiding the disturbance of neighbouring guests.

### **Joystick control locking**

By disabling or enabling joystick control locking, the administrator can prevent unauthorised use of the TV via the joystick, saving the hotelier overheads.

### Installation menu locking

Prevents unauthorised access to installation and configuration settings, to ensure maximum convenience for guests and to avoid unnecessary reinstallation costs.

### Low power consumption

Philips TVs are designed to minimise power consumption. This will not only reduce environmental impact but also lower operating costs.

### **LED TV**

With LED backlighting, you can enjoy low power consumption and beautiful images with high brightness, incredible contrast and vibrant colours

**Dimensions** 

Set Width: 1112 mm

· Set Height: 653 mm

• Set Depth: 60/91 mm

Product weight: 10.5 kg
Set width (with stand): 1112 mm

Set height (with stand): 691 mm

• Set depth (with stand): 220 mm

· Product weight (+stand): 11.4 kg

• Wall-mount compatible: M6, 200 x 200 mm

## Specifications
