PHILIPS

Highlights

Steam tip

The unique steam tip of this Philips iron, combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Auto shut-off

The electronic shut-off automatically switches the iron off when it is left unattended or tips over.

Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low

temperatures without having to worry about stains from water droplets.

Soft grip

The soft handgrip of this Philips iron allows for comfortable ironing even during longer sessions.

Double Active Calc System

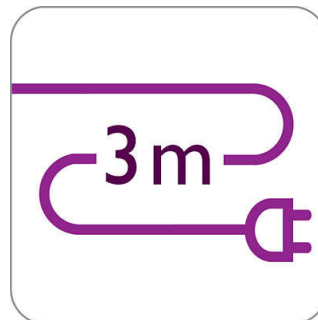

Double Active Calc system of your Philips steam iron prevents scale build-up through anti scale pills and an easy to use calc clean function.

300 ml water tank

Fewer refills are required thanks to a large 300 ml water tank. So you can iron more clothes in one go.

Extra-long 3 m cord

With the extra-long 3 m cord of your Philips iron, you can easily reach right up to the edges of your ironing board - and further!

Highly visible water level

The extra-clear indicator of your Philips iron, makes the water level highly visible, so you always know if you have enough water at a glance.

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.
