Ultimate control for beard & hair

Beard and stubble trimmer

The Philips Norelco Beard Trimmer 5500 is a premium beard and stubble trimmer which also cuts hair. Designed for an even trim from any angle and features 40 adjustable lengths, DualCut steel blades and 90 minutes run time

Easy to use

- Cordless use for up to 90 mins
- Warranty for purchase protection
- Fully washable for easy, thorough cleaning
- Lights indicate when battery is low, empty, full or charging

Even trimming results

- Trims evenly and captures low-lying hairs
- Self-sharpening blades for zero maintenance

Precise styling

- 40 lock-in length settings from 0.4- 20mm

Highlights

Lift & Trim PRO system

Stubble doesn't stand a chance. The Lift&Trim Pro system captures all your low-lying hairs and lifts them up toward the blades for a precise cut – whilst still being an ideal trimmer for long beards too.

Self-sharpening metal blades

Suitable for even the thickest hair, the double-sharpened blades guarantee precision edges and superior trimming every time. No oil or replacement blades required.

40 lock-in length settings

Cut to the exact length you're after with this cordless beard trimmer. Just spin the zoom wheel to one of 40 length settings from 1/128" (0.2mm) increments.

90 min corded/cordless use

Don't get tangled up in your stubble trimmer – a 1 hour charge provides up to 90 minutes of cordless grooming time. Or keep it plugged in for uninterrupted trimming. The 5 minute quick charge function gives you enough power for one trim.

Fully washable

Simply rinse your fully washable beard trimmer under the tap to thoroughly clean it.

Battery indicators

The battery indicators in this trimmer let you know what your battery status is: Low, empty, charging or full. This way, you can charge your trimmer on time and fully, so you won't end up with an empty battery in the middle of your trim.

2-year warranty

All of our grooming products are built to last. They come with a 2 year warranty, never need to be oiled and are compatible with any voltage worldwide.
