- Perfect Natural Reality. More depth, more detail.

There's OLED, and then there's OLED+

- 4K UHD OLED+ TV. The difference is real.
- Immersive sound. Bowers & Wilkins meets Dolby Atmos.
- Ambilight 4-sided. Set the drama free.

PHILIPS

Highlights

Ambilight 4-sided

With Philips 4-sided Ambilight, every moment feels closer. Intelligent LEDs frame the four edges of the TV and cast on-screen colors onto the wall in real time. Drama feels deeper. Action feels bigger. Playlists weave lightshows and the thrill of every game leaps right into the room. Whatever you love, you'll love it more.

OLED+

A Philips OLED+ TV takes the beauty of OLED to another dimension. Discover new levels of nuance and detail thanks to our P5 picture processing. Revel in the thrilling sound of speakers designed with Bowers & Wilkins. Do more with up-to-the-minute smart functions, and immerse in the content you love with Ambilight. It's more than OLED. It's OLED+.

P5 Pro Perfect Picture Engine

Philips P5 Pro Perfect Picture Engine, with the brand new generation Picture Quality Processor brings you to another level of visual experience. See our OLED TVs with the truest of blacks, vibrant colors, most realistic natural skin tones and incredibly smooth motion. Now you can see every details with greater depth impression, clean and yet sharper picture performance. Our Philips OLED TV brings you a new era of picture quality realism.

Sound by Bowers & Wilkins

A picture this lifelike demands true sound. An exclusive speaker design by legendary audio

engineers Bowers & Wilkins delivers thrillingly lifelike performance. An integrated sub-woofer, tweeters, and full-range drivers produce deep, well-defined bass, pristine dialogue, and crystal-clear high frequencies. Even at low volume.

Kvadrat speaker fabric

Sound this perfect should be heard with no obstructions. The sound solution on this Philips TV is covered with a premium speaker fabric created by high-end manufacturer Kvadrat. This beautiful wool-blend material is acoustically transparent, allowing every scintillating detail to flow freely from the speaker into the room.

Dolby Vision and Dolby Atmos

Support for Dolby's premium sound and video formats means the HDR content you watch will look-and sound-gloriously real. Whether it's the latest streaming series or a Blu-Ray disc set, you'll enjoy contrast, brightness, and color that reflect the director's original intentions. And hear spacious sound with clarity, detail, and depth.

HDR10+

With a Philips HDR10+ TV, picture quality is even more immersive and lifelike. Dynamic metadata enables your TV to adjust brightness levels from frame to frame. From bright skies to candlelit temples, colours look real. Original details are preserved. Contrast is impeccable.

TV Content

Go beyond traditional TV programming with Google Play Store and Philips App Gallery. Experience endless movies, TV, music, apps and games online. More to love.

AI voice control.

Control your Philips Android TV with your voice. Want to play a game, watch Netflix, or find content and apps in the Google Play store? Just tell your TV. You can even command all Google Assistant-compatible smart home devices, like dimming the lights and setting the thermostat on movie night. Without leaving the sofa. The days of searching for the TV remote are over. Now you can use your voice to control your Philips smart TV via Alexa-enabled devices, like Amazon Echo. Turn your TV on, change the channel, switch to your gaming console and more with Alexa.

Perfect Natural Reality

Perfect Natural Reality. More depth, more detail.

Sound by Bowers & Wilkins

A picture this lifelike demands true sound. An exclusive speaker design by legendary audio engineers Bowers & Wilkins delivers thrillingly lifelike performance. Up-firing speakers let you get the most out of Dolby Atmos. Feel the drama flow above and around you-whether it's spaceships flying overhead or the crowd in an arena.
