Superior cleaning.* Deeper reach between.

Cleaning between teeth and in hard-to-clean areas

The Philips Sonicare InterCare toothbrush head is perfect for those who want to target plaque build-up between teeth, relieve bleeding and inflamed gums and reveal a healthy, beautiful smile.

A brush head that fits multiple handles

- Works with any Philips Sonicare click-on toothbrush

Proven to improve oral health

- Part of a better oral healthcare routine

Designed to optimise performance

- Reminder bristles ensure your most effective clean
- Designed to reach deeper and go further
- Philips Sonicare's advanced sonic technology

Highlights

Reach deeper and go further

This Philips Sonicare toothbrush head features extra-long, high-density bristles to target hidden plaque caught deep between teeth and in other hard-to-clean areas. Also available in a larger standard size for thorough cleaning.

Maximised sonic motion

Philips Sonicare's advanced sonic technology pulses water between your teeth, and its brush strokes break plaque up and sweep it away for an exceptional daily clean.

Click-on brush head system

This brush head clicks on and off your brush handle for a secure fit and easy maintenance and cleaning. It fits all Philips Sonicare toothbrush handles except: PowerUp Battery and Essence.

Better oral healthcare

Like all authentic Philips Sonicare branded brush heads, this brush head is safe on teeth and gums. Each brush head has been quality tested for exceptional performance and durability.

Reminder bristles

At first glance it may not be obvious, but brush heads lose stiffness and gradually wear down over months of normal use. Our blue reminder bristles fade to white and help you recognise when it's time for a replacement. For optimal results, replace your brush head every three months.

Specifications
