

Philips Premium Airfryer XXL

Fat Removal technology

Digital touchscreen
black, 1.4 kg

HD9650/99

Maximum taste, minimum fat

Crispy taste, reduces fat others leave behind*

The Philips Airfryer uses hot air to fry your favourite food with little or no added oil. New Fat Removal technology is designed to extract and capture fat from the food, making this the healthiest way to fry for you and your family.

Designed for your daily cooking

- 1.5 times faster than an oven*
- QuickClean and dishwasher-safe for all removable parts
- XXL family size fits a whole chicken or 1.4 kg of fries
- Keep Warm mode for flexible serving time
- Digital display with 5 preset cooking programs

The healthiest way to fry*

- Fat Removal technology separates and captures excess fat
- Fry with little or no oil
- Rapid Air technology for delicious crispier results

Variety of cooking possibilities

- Fry. Bake. Grill. Roast. And even reheat.
- Hundreds of recipes in app and free recipe book included

Highlights

Fat Removal technology

Eat healthier dishes with excess fat removed from food. The Philips Airfryer is the only Airfryer with Fat Removal technology that separates and captures excess fat. Enjoy delicious food that's crispy on the outside and tender on the inside with maximum flavour and minimum fat.

XXL family-size meals

Yes, you can cook family-size meals in the new Airfryer XXL. Its full-size capacity makes cooking a large, delicious meal easy. You can cook a whole chicken or even up to 1.4 kg of chips to satisfy your hungry family or friends. Serve up to six portions with the large 7.3 l capacity pan.

Keep Warm mode

With our handy Keep Warm mode, you can enjoy your meal when you're ready. It will keep your food warm and at the ideal temperature for up to 30 minutes.

Rapid Air technology

Philips Rapid Air technology creates 7 x faster airflow for deliciously crispy results*. Enjoy healthier and tasty snacks and meals that are crisped to perfection, yet tender on the inside

1.5 times faster than an oven

Cooking is faster and more convenient than ever with the Philips Airfryer. Thanks to our instant heat and Rapid Airflow technology, your food will cook 1.5 times faster than in an oven. Best of all, you don't need to preheat your Airfryer. Just turn it on and start cooking.

Bake. Grill. Roast. Or reheat

You can make hundreds of dishes in your Airfryer. Fry, bake, grill, roast and even reheat your meals. Every bite is as delicious as the last thanks to Philips Air flow and starfish design. It cooks food uniformly from all sides for perfect meals every time.

QuickClean and dishwasher-safe

Clean-up is fast and easy thanks to the Airfryer QuickClean basket with removable non-stick mesh insert. Both the basket and removable drawer with non-stick coating are also dishwasher safe for no-fuss cleaning.

Fry with little or no oil

The Airfryer uses hot air to cook your favourite food with little or no added oil, so you can fry with up to 90% less fat*. Enjoy great-tasting, crispy results that are just like deep fried, with the least amount of fat.
