Self-sharpening steel blades

Stainless steel blades remain sharp as day one for long lasting performance. No oil required.

BeardSense technology

The trimmer scans the beard density 125x per second and boosts power exactly when you need it to tackle also dense, bushy or longer beards.

Up to 120 minutes of runtime

A powerful lithium-ion battery provides up to 120 minutes of runtime with 5-minute quick charge option for long life and maximum power.

100% showerproof

The trimmer is water resistant, so you can use it comfortably in the shower and clean it easily under the tap.

Battery indicator

A battery indicator lets you know your battery status: low, empty, charging or full. So you never get caught with an empty battery in the middle of your trim.
