Comfortable, clean shave

With SkinProtect Technology

Philips Shaver 3000X Series gives you a comfortable, clean shave at an accessible price. The 27 self-sharpening ComfortCut blades, wet and dry use, and a pop-up trimmer make the shaver easy to use and provide excellent value.

Easy to use

- 45 minutes of cordless shaving from a 1-hour charge
- Pop-up trimmer for your mustache and sideburns
- Battery indicator to know when it's time to charge
- One-touch open for easy cleaning
- Anti-slip grip for a secure shave
- 5-minute quick charge gives enough power for a full shave
- Convenient charging

A clean shave

- ComfortCut Blades for a comfortable, clean shave

Skin Protect technology

- Wet and dry shaving at the sink or in the shower
- 4D Flex Heads follow your face for a comfortable shave
- Anti-Corrosion Shaving System respects the skin

Sustainable

Highlights

ComfortCut Blades

27 self-sharpening blades comfortably cut each hair right above skin level for a smooth, even finish, every time. Our self-sharpening blades stay like new for 2 years.

Wet and dry shaving

Choose a convenient dry shave, or pair with your favorite foam or gel for a refreshing wet shave, even in the shower.

4D Flex Heads

Floating heads flex in four directions to maintain even contact with your skin protecting it from nicks & cuts.

Anti-Corrosion Shaving System

Our shaver blades are made from surgical-grade hypoallergenic steel to resist corrosion, prevent impurities, and protect your skin.

Pop-up trimmer

Refine and define your mustache and sideburns to complete your look with the pop-up trimmer.

45 minutes of cordless shaving

In just an hour, the durable NiMH battery is fully charged for about 15 shaves. In a hurry? A 5-minute quick charge gives you enough power for one shave.

One-touch open

The shaver head flips open at the touch of a button to rinse clean under running water.

Rubber grip

Never lose your grip. The ergonomic handle with rubber stays secure and comfortable, even when wet.

Battery indicator

Don't get caught with an empty battery. The battery indicator lets you know if the battery is low, empty, or charging.

5-minute quick charge

In a hurry? Plug in your shaver for just five minutes to get enough power for one full shave.
