Faster to set up

- Power up to 2400 W for faster heat-up time
- Iron with smart light feedback indicator

Faster to store

- Cord winder for easy cord storage
- Lock and carry the iron for stable storage after ironing

PHILIPS

Highlights

Quick heat up

Power up to 2400 W for faster heat-up time

Steam boost up to 150 g

The iron's 150 g steam boost enables you to easily remove even the most stubborn creases.

Ceramic soleplate

Ceramic soleplate is scratch-resistant, glides well and is easy to clean.

Smart light feedback

Smart light feedback indicates the status of the iron at any time.

Compact smart charging base

The compact Smart charging base enables a powerful cordless steam performance. Enjoy the ultimate freedom of movement without changing your ironing pattern: the iron will charge itself on the compact Smart charging base while you rearrange the garment. To ensure constant steam performance the Smart charging base will indicate with a yellow light that the iron needs to be recharged; it also ensures that the iron gets fully charged in less than 6 seconds. The blue light indicates that the iron is ready to use.

Easy storage

The cord can be wrapped around the heel rest so that the appliance is easy to store.

Up to 35 g/min of steam

Continuous steam up to 35 g/min for better crease removal.

Carry lock

Safe storage after ironing on the base. The cord can be wrapped around the body of the base, so that the appliance is easy to store.
