

Philips
Steam iron

GC1010

Fast and efficient - guaranteed

Speed shaped soleplate

Steam iron with three steam settings, aluminium soleplate, integrated Calc-Clean function and spray function.

Powerful performance

- 1400 Watt enables constant high steam output

Easy gliding on all fabrics

- Aluminium soleplate for easy gliding on all fabrics

Longer lifetime

- Calc clean to prevent your iron from scale build up

Full control

- Iron temperature-ready light

Easily removes creases

- Continuous high steam output for better crease removal

PHILIPS

Highlights

Continuous steam

Continuous high steam helps to remove tough creases easily.

1400 Watt

This powerful iron heats up quickly and maintains very stable temperatures during ironing, making it easier to remove creases properly.

Iron temperature-ready light

Indicator light goes off when the required ironing temperature has been reached.

Aluminium soleplate

The durable aluminium soleplate easily glides over all fabrics, is scratch resistant and easy to clean.

Calc clean

The calc clean function enables you to simply flush your Philips iron to remove the calc particles out of your iron. This will extend the lifetime of your iron.
