

Philips EasySpeed  
Advanced  
Steam iron

**2400 W**

180 g steam boost  
40 g/min continuous steam  
Ceramic soleplate

**GC2675/87**

## Faster from start to finish

Speeds up your ironing in 5 ways

Make ironing faster from start to finish: quick heat-up, XL water hole, powerful bursts of steam to tackle tough creases, durable ceramic soleplate for quick gliding, and our drip-stop system. That's five ways to speed up your ironing.

### **Fast ironing**

- 2400 W for quick heat-up in 30 seconds
- Extra-large water hole for fast filling and emptying
- Up to 180 g steam boost blasts stubborn creases
- Triple precision tip for optimal control and visibility
- Steam output up to 40 g/min for strong, steady performance

### **Easy ironing**

- Drip-stop system keeps garments spotless while ironing
- Durable ceramic soleplate for easy gliding
- Easy cord wrapping with clip for quick, tidy storage
- Less refilling with extra-large 300 ml water tank
- Heat resistant box for immediate storage after ironing

### **Long lasting performance**

- Calc-clean slider for long-lasting steam performance

# PHILIPS

# Highlights

## 2400 W to heat up quickly

Delivers a fast warm-up in 30 seconds for a quick start.

## XL water filling hole

An extra-large opening for filling the water tank makes quick work of refills and emptying.

## Ceramic soleplate

Our durable ceramic soleplate glides well on any ironable garment. It's non-stick, scratch resistant and simple to keep clean.

## Steam boost up to 180 g

Penetrates deeper into fabrics to easily remove stubborn creases.

## Triple precision tip

The tip is precise in 3 ways. It has a pointed tip, button groove and sleek nose design. Our triple precision tip helps you handle even the hardest-to-iron spots, like buttons and pleats.

## Drip-stop system

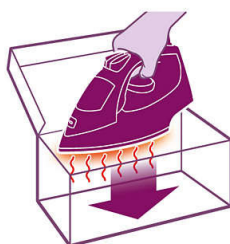

Our drip-stop system prevents leakage to avoid stains from water droplets — and iron with confidence at any temperature.

## Up to 40 g/min of steam

Strong and consistent steam output to remove creases faster.

## Heat resistant storage box

This heat resistant storage box is designed for storing the hot iron easily and immediately after use.

## 300 ml water tank

Fewer refills are required thanks to a large 300 ml water tank. So you can iron more clothes in one go.

# Specifications

## Storage

- Cord storage: Cord clip
- Storage solution: Heat resistant box

## Technical specifications

- Heating time: 30 sec.

## Easy to use

- Water tank capacity: 300 ml
- Soleplate name: Ceramic
- Drip stop
- Cord freedom (swivel): 360 degree cord freedom
- Tap water suitable
- Power cord length: 2 m
- Precision steam tip
- Extra large filling hole

## Guarantee

- 2 year worldwide guarantee

## Fast crease removal

- Power: 2400 W
- Steam boost: 180 g
- Continuous steam: 40 g/min
- Vertical steam
- Variable steam levels
- Water spray

## Green efficiency

- Energy saving mode
- User manual: 100% recycled paper

## Scale management

- Descaling and cleaning: Self clean

## Size and weight

- Weight of iron: 1.150 kg

Issue date 2023-08-22

Version: 1.1.1
