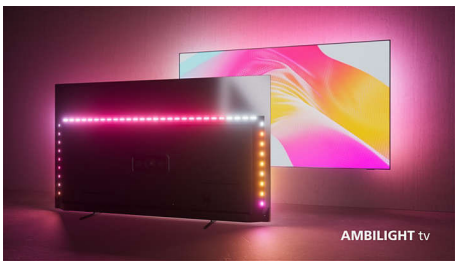
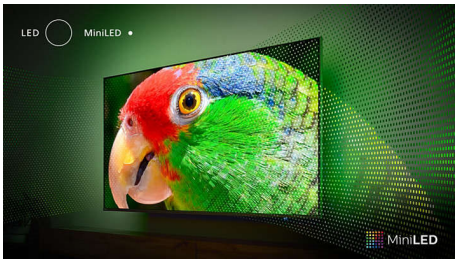
Highlights

Ambilight TV



Ambilight TVs are the only TVs with LED lights behind the screen that react to what you watch, immersing you in a halo of colourful light. It changes everything: Your TV seems bigger, and you'll be drawn deeper into your favourite programmes, films and games.

MiniLED technology

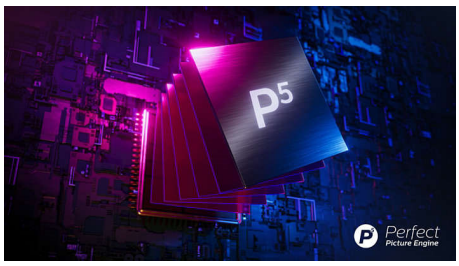


No matter what you watch, the Xtra's MiniLED technology gives you a truly impressive big-screen picture with deep blacks, pin-sharp contrast, and lifelike colours. Plus, this 4K UHD Ambilight TV is compatible with all major HDR formats, so you'll see more detail, even in dark and bright areas.

MiniLED TV

MiniLED. Intelligent backlight zones. Incredible contrast.

P5 Perfect Picture engine



The Philips P5 engine delivers a picture as brilliant as the content you love. Details have noticeably more depth. Colours are vivid, while skin tones look natural. Contrast is so crisp you'll feel every detail. Motion is perfectly smooth.

Dolby Vision and Dolby Atmos

With Dolby Vision and Dolby Atmos on board, your films, shows and games look and sound incredible. See the picture the director wanted you to see. No more disappointing scenes that are too dark to make out! Hear every word clearly. Experience sound effects like they're really happening around you.

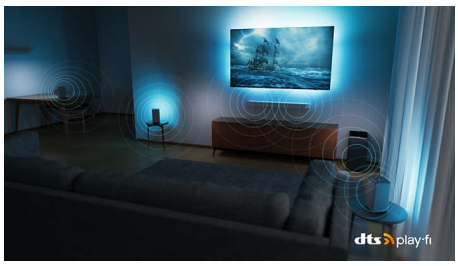
Supports all major HDR formats

Supports all major HDR formats.

Premium design

The ultra-thin metal bezel and slim metal feet, both in anthracite grey, give this TV a strong, minimalist look. Our packaging uses FSC-certified recycled cardboard and our printed materials use recycled paper.

DTS Play-Fi



Philips Wireless Home System powered by DTS Play-Fi lets you connect to compatible soundbars and wireless speakers around your home in seconds. Listen to films in the kitchen. Play music anywhere.

Epic gaming

Play without limits and immerse in the Xtra's vibrant colours! HDMI 2.1, a blazing-fast 120 Hz native refresh rate and ultra-low input lag get the best out of next-gen gaming gear with fluid, responsive gameplay, super-smooth natural motion and great-looking graphics. Ambilight's gaming mode brings even bigger thrills.

Philips Smart TV

You'll find it fast with our new smart TV platform. Enjoying a series? You can continue watching straight from the home screen. If you're looking for something new, you can browse categories like action or drama and see suggestions from the top streaming services, all in one place.
