Highlights

Android TV

Android TV makes it easier to get more from your TV. Choose from 700,000+ movies and shows from across streaming services. Ask Google to control your TV, get recommendations of what to watch, dim the lights, and more with your voice.

4K UltraHD

4K Ultra HD is four times the resolution of Full HD, bringing your viewing experience to a whole new level. Combining it with our High Dynamic Range (HDR) technology delivers more detail and captivating colors to enhance your visual experience. Deeper blacks, brighter whites, and more vivid colors brings your entertainment closer to reality.

High Dynamic Range

Your Philips TV is primed to get the most out of the HDR10 video format. Whether it's a must-

watch series or the new blockbuster, shadows will be deeper. Bright surfaces will shine. Colors will be truer.

Google Play

Google Play is your entertainment unbound. Download all your favorite music, movies, TV shows, and games all in one place. Choose from 5000+ apps on the Google Play Store and enjoy them with easy access from your personally customized Android TV home screen.

Chromecast Built-in

Put your small screen on your big screen. Simply use your mobile device to cast your favorite shows, movies, music, sports, games, and more on your TV.

Bluetooth

With Bluetooth technology built-in, you can connect your headphones wirelessly to enjoy

your favorite programs without disturbing others. Soundbars with Bluetooth connectivity pair easily, so you can ditch the extra cables for a simply cleaner setup.

Smart Home Devices

Use your voice to create the perfect viewing environment. Control smart home devices throughout your home. Adjust room temperature, lighting, or control other connected devices.*1

Hey Google

Press the Google Assistant button on your remote to do more on your TV with your voice. Ask Google to search for the latest blockbuster, stream shows, or open multiplayer games. Have it dim the lights by connecting compatible smart home devices. Manage tasks and see your calendar. Or ask it questions and see the answers on your TV.
