- Play your favorite content and control your TV volume
- Press the Google Assistant button to do more with your voice

Android TV with the Google Assistant Built-in

- Android TV, endless entertainment options for everyone
- Wirelessly mirror your smartphone directly onto your TV
- Your own Personal Google Assistant, always ready to help
- Expand your entertainment library with the Google Play Store

PHILIPS

Highlights

4K UltraHD

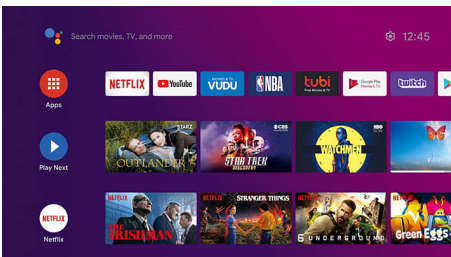

Four times the resolution of Full HD brings your viewing experience to the whole new level. Enjoy every detail and the breathtaking beauty of your favorite entertainment.

High Dynamic Range

High Dynamic Range (HDR10) technology lets you experience more detail and captivating colors for an even more engaging television experience. Experience a brighter image with astonishing contrast composed of shades of blacks, whites, and all other colors.

Android TV

Android TV brings great content to you, so you can spend less time browsing and more time watching. Just pick from the personalized recommendations on Google Play, YouTube, and other apps that appear automatically in your home screen.

Google Assistant

Your assistant can help you in so many ways with the power of your voice. Ask it to tune into your favorite channel, change the volume, dim the lights, set the temperature and more. Don't know what you are looking for? Google Assistant can provide recommendations based on your preferences.

Google Play

Google Play is your entertainment unbound. It brings together all of the entertainment you love and helps you explore it in new ways, anytime, anywhere. We've brought the magic of Google to music, movies, TV, news, books, magazines, apps and games, so you get more from your content every day.

Chromecast built-in

Wirelessly mirror your smartphone's photos, movies, apps, and more directly to your TV with Chromecast.

Versatile Connectivity

Expand your entertainment horizons by connecting your favorite devices to your Philips Android TV, via HDMI 2.0, OTA Coaxial, and USB Multimedia. Enjoy seamless streaming via Wireless LAN 802.11ac MIMO or via Ethernet.

Control your smart home

Control your home from the comfort of your couch. Simply ask the Google Assistant on your TV to set the perfect temperature or dim the lights with Philips Hue.

Plan your day

Before you take off, learn more about the weather, traffic and what's on your calendar, all with the power of your voice.
