

Philips  
DVD/VCR Player

DVP3355V

## DVD and VHS Combo

The ultimate all-in-one player that plays your movie collections in DVDs & VHS tapes. This combination is the only player that maximizes convenience and enhances your movie experience. One player plays it all.

## Bring video to life

- Line-In Recording through Cable/Satellite Box

## Bring audio and video to life

- Hi-Fi stereo VHS enhances audio playback
- Progressive Scan component video for optimized image quality
- Dolby Digital Stream Out

**PHILIPS**

# Highlights

## Hi-Fi stereo VHS

Hi-Fi Stereo VHS plays back true stereo VHS

## Progressive Scan

Progressive Scan doubles the vertical resolution of the image resulting in a noticeably sharper picture. Instead of sending a field comprising the

odd lines to the screen first, followed by the field with the even lines, both fields are written at one time. A full image is created instantaneously, using the maximum resolution. At such a speed, your eye perceives a sharper picture with no line structure.

# Specifications
