Dimensions

- Set dimensions (W \times H \times D): 435 \times 94 \times 233 mm
- Set weight: 2.7 kg
- Packaging dimensions (W x H x D): 539 x 182 x 342 mm
- Weight incl. Packaging: 3.4 kg

Container Loading

- Container 20 feet: 900
- Container 40 feet: 1800
- Container 40 feet (HC): 2000

Highlights

Progressive Scan

Progressive Scan doubles the vertical resolution of the image resulting in a noticeably sharper picture. Instead of sending a field comprising the odd lines to the screen first, followed by the field with the even lines, both fields are written at one time. A full image is created instantaneously, using the maximum resolution. At such a speed, your eye perceives a sharper picture with no line structure.

Hi-Fi stereo VHS

Hi-Fi Stereo VHS plays back true stereo VHS
