Android TV

Android TV makes it easier to get more from your TV. Choose from 500,000+ movies and shows from across streaming services. Control your TV, get recommendations of what to watch, dim the lights, and more with your voice by asking Google Assistant. Cast photos, videos, and music from smart devices to your TV with Chromecast built-in.

Google Assistant

With Google Assistant you can do even more with your TV. Quickly access your favorite movies, shows, or music with your voice. Easily find and enjoy vacation photos on the big screen. Control devices around your home like dimming the lights from the comfort of your couch. Ask Google Assistant questions and get answers from Google on screen, including the weather or game scores. You can even manage tasks like viewing your schedule and adding appointments without picking up another device. Just press the Assistant button on your remote to get started.

Google Play

Download all your favorite apps and games from Google Play. And enjoy them on the big screen with easy access from your custom Android TV home screen.

Chromecast built-in

Chromecast built-in is a platform that lets you stream your favorite entertainment from your phone, tablet or laptop right to your TV. Easily control your TV with apps you already know and love from your iPhone, iPad, Android phone or tablet, Mac or Windows laptop, or Chromebook.

Control your smart home

Control your home from the comfort of your couch. Simply ask the Google Assistant on your

TV to set the perfect temperature or dim the lights with Philips Hue.

Plan your day

Before you take off, learn more about the weather, traffic and what's on your calendar, all with the power of your voice.

Play your favorite content

Enjoy 500,000+ TV shows and movies. Plus, live TV and Chromecast built-in: Google Play is your entertainment unbound, it brings together all of the entertainment you love and helps you explore it in new ways, anytime, anywhere. We've brought the magic of Google to music, movies, TV, news, books, magazines, apps and games, so you get more from your content every day.
