- Carton Weight: 23.81 lbs.
- Carton contains: Remote Control w/ batteries, operating instructions, warranty information

- Country of Origin: China

Subheading

Bodytext

DCDi by Faroudja Resolution Enhancement

DCDi enhances the quality of all images by eliminating the stair-step jagged edges so often seen on progressive scan displays. The result is natural images with exceptional detail.

Digital Crystal Clear III™

A powerful package of picture innovations including Dynamic Contrast and advanced 10 bit processing, DCC III offers 30% more contrast, more natural colors, and higher levels of detail.

Anti-reflective coating

Better picture quality even in well lit or cross-lit areas.

Integrated Table Stand

Convenient picture frame table stand is attached for easy table top placement.

VESA Standard mounting pattern

VESA pattern guarantees compatibility with hundreds of innovative mounting solutions.

3 Viewing modes, including 16:9 Compress Widescreen Mode

Allows greater enjoyment of widescreen and traditional 4:3 material by offering flexibility to show the entire picture and/or fill the entire screen.

5 Auto Picture™ Settings

One touch picture optimization.

Built in NTSC Tuner

Simple connection to traditional cable, antenna, and VCR sources.

10 watt RMS Stereo Speakers

Exciting and lifelike sound.

FM Radio Built In

A radio is included capable of storing 40 FM presets. On-Screen naming makes navigation simple and a handy Clock Screensaver is also included for use while listening.
