Highlights

Android TV

Android TV brings great content to you, so you can spend less time browsing and more time watching. Just pick from the personalized recommendations on Google Play, YouTube, and other apps that appear automatically in your home screen.

Hands-Free Assistant

Your assistant can help you in so many ways with the power of your voice. Simply say "Hey Google" and instantly gain hands free access to your favorite recipes, streaming apps, music playlists, local TV programming, smart home devices and more.

Google Assistant

Your assistant can help you in so many ways with the power of your voice. Ask it to tune into your favorite channel, change the volume, dim the lights, set the temperature and more. Don't know what you are looking for? Google Assistant can provide recommendations based on your preferences.

Google Play

Google Play is your entertainment unbound. It brings together all of the entertainment you love and helps you explore it in new ways, anytime, anywhere. We've brought the magic of Google to music, movies, TV, news, books, magazines, apps and games, so you get more from your content every day.

Plan your day

Before you take off, learn more about the weather, traffic and what's on your calendar, all with the power of your voice.

16W Smart Speaker

Experience dynamic audio quality with the dual 8-Watt speaker system encased in an elegant enclosure.

Become a "How to" Pro

Whether you want to become a Sous Chef or a DIY warrior, the far field microphone lets you take control of your project and how to videos. Just say "Hey Google" when watching a how to video to pause, play and rewind.

Smart Home Control

Take control of your smart home. With the power of your voice, turn off the lights, change the temperature and check your security cameras - all without touching your remote control.

Control your smart home

Control your home from the comfort of your couch. Simply ask the Google Assistant on your TV to set the perfect temperature or dim the lights with Philips Hue.

Privacy Control

We respect your privacy. Simply press the mic off button to disable the Google Assistant from listen mode. When you are ready to interact with the assistant, press the button to turn back on. LEDs will illuminate indicating the status of the microphone.

The Google Assistant button

Do more on your TV with your voice. Press the Google Assistant button on your remote to quickly search 500,000+ movies and shows, get recommendations to match your mood, control smart home devices, and more.
