Easy sip

Sippy cup with soft spout for easy drinking

This Philips Avent spout cup is great for both toddlers and parents. The soft silicone spout makes sipping easy and fewer parts ensures easy cleaning of the cup

Non-spill

- Built in valve for spill free drinking

Easy to clean

- One piece silicone spout for easy assembly

Other benefits

- All parts are dishwasher safe for convenience
- This sippy cup is made from BPA free material
- Compatible with Philips Avent bottles and cups

Easy to drink

- Rippled container shape for steady grip
- Soft silicone spout for easy drinking

Highlights

Cup is dishwasher safe

All parts are dishwasher safe for convenience

One piece spout

The valve is built into the spout, ensuring assembly is fast and hassle free.

Ripple shape

Container of the sippy cup is designed to allow easy grip for little hands.

Spill free cup

Built in valve for spill free drinking

BPA free

This sippy cup is made from BPA free material

Easy drinking

The one-piece silicone spout is easy to drink from: liquid starts flowing when pressure is applied to the spout.

Philips Avent compatibility

All Philips Avent bottles and cups are compatible excluding the glass bottles and the Grown-up cup. So you can mix and match to create the perfect cup, suiting your toddler's individual development needs.
