

Philips LongLife EcoVision
Conventional Interior and
Signaling

Type of lamp: PY21W

Pack of: 10
12 V, 21 W

12496LLECOCP

Drive with care

Higher lifetime, less replacement

Tired of changing your headlight bulbs all the time? With higher lifetime of a car bulb, Philips LongLife EcoVision is the choice for drivers seeking to minimise maintenance on their vehicles.

Very high quality and ultra resistant car lamp

- Philips car lamps are made of high-quality quartz glass
- Philips car lamps are highly resistant against humidity
- Philips car lamps are highly UV resistant

Lasts significantly longer than a standard lamp

- Change both your headlamps at once for more safety
- Wide range of 12V lamps to meet all functions
- Less waste thanks to fewer replacement
- High quality filament design to minimize maintenance

Original Equipment manufacturer

- Award winning car lamp manufacturer
- Respecting high quality standards of the ECE homologation
- Philips are the choice of major car manufacturers.

PHILIPS

Highlights

ECE homologation

Philips automotive products and services are considered best-in-class in the Original Equipment Manufacturer market and the aftermarket. Manufactured from high quality products and tested to the highest specifications, our products are designed to maximize the safety and comfort of our customers' driving experience. Our entire product range is thoroughly tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements. Put simply, this is quality you can trust.

Car manufacturers' choice

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting.

Change by pairs

Highly recommended to change them by pairs for symmetric light performance

Designed for multiple usage

Which 12V lamp for which function ? Philips Automotive offering includes all car specific

functions : high beam, Low beam, front fog , front indicator, side indicator, rear indicator, stop light, reversing light, rear fog light, license plate lights, rear position/parking light, interior lights.

High quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. Philips quartz-glass lamps (filament 2650° C and glass 800° C) are able to withstand severe thermal shock. With the capability of increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light

Reduce waste, drive greener

It is the right choice for drivers looking for an environmentally friendly lighting solution.

Reduced maintenance

With Philips LongLifeEcoVision you need significantly fewer lamp replacements. This makes them the ideal lamp for high voltage cars.

Resistance against humidity

Only a burning bulb made of quartz glass (filament 2650°c, glass 800°c) can resist thermal shocks : if a drop of cold water touches the hot bulb, which can happen when you drive through water with a broken headlight unit.

Rewarded Car lamps

Our lamps are often rewarded by automotive experts

UV Resistant

Philips special anti-UV coating technology protects the headlights against harmful ultraviolet radiation, making Philips UV-coated quartz glass perfect for all driving conditions and ensures their longevity

Specifications

Marketing specifications

- Expected benefits: Long lasting
- Product highlight: Higher lifetime

Product description

- Application: Front indicator, Rear indicator
- Base: BAU15s
- Designation: PY21 LongLife EcoVision
- Homologation ECE
- Range: LongLife EcoVision
- Technology: Conventional
- Type: PY21W

Electrical characteristics

- Wattage: 21 W
- Voltage: 12 V

Ordering information

- Order entry: 12496LLECOCP
- Ordering code: 38218173

Packaging Data

- Packaging type: CP
- EAN1: 8727900382181
- EAN3: 8727900391084

Packed product information

- Net weight per piece: 8 g
- Gross weight per piece: 10.4 g
- Pack Quantity: 1
- MOQ (for professionals): 50

Outerpack information

- Length: 27.8 cm
- Width: 26.1 cm
- Height: 17.5 cm
- Gross weight per piece: 2.080 kg

Issue date 2023-09-14

Version: 9.0.1
