Lifetime

- Life time: 875h

Light characteristics

- Lumens: 35, 50 lm

Electrical characteristics

- Wattage: 4 W
- Voltage: 12 V

Ordering information

- Order entry: 12929BVB2
- Ordering code: 31031630

Packaging Data

- Packaging type: B2
- EAN1: 8711500310316
- EAN3: 8711500310392

Packed product information

- Width: 2.7 cm
- Height: 12.9 cm
- Net weight per piece: 2 g
- Gross weight per piece: 9.3 g
- Length: 6.7 cm

Outerpack information

- Length: 15 cm
- Width: 13.5 cm
- Height: 13 cm
- Gross weight per piece: 0.186 kg

Highlights

Car manufacturer choice

For 100 years, Philips has been on the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting

Designed for multiple usage

Which 12V lamp for which application? Philips Automotive offering includes all car specific functions : license plate lights, rear position/parking light, glove box lights, interior signaling, front parking lights.

ECE homologation

Philips automotive products and services are considered best-in-class in the Original Equipment Manufacturer market and the aftermarket. Manufactured from high quality products and tested to the highest specifications, our products are designed to maximize the safety and comfort of our customers' driving experience. Our entire product range is thoroughly tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements. Put simply, this is quality you can trust.

Xenon blue effect

Philips interior and signaling lamps are the best choice for driver seeking a stylish effect. The cool white light provides greater visibility in all car applications (License plate lights, rear position/ parking light, glove box lights, interior signaling, front parking lights).
