

Philips WeatherVision
Headlight bulb

Type of lamp: H3

Pack of: 2
12 V, 55 W

12336WVS2

Feel safe, drive safe

Ultimate yellow light

Philips WeatherVision halogen headlamp offers up to 60% more yellow light* improving your visibility to drive safely through bad weather conditions such as rain, fog and snow. It is ECE compliant** for road legal usage.

Enhancing safety by increased visibility

- Greater driving comfort and safety

Ultimate yellow light for better contrast

- Homogeneous yellow light for better contrast on the road

High quality and ultra resistant headlamp

- Change both your headlamps simultaneously for more safety
- Philips car lamps are highly UV resistant
- Wide range of 12V lamps for all functions
- Philips is the choice of major car manufacturers.
- Philips car lamps are made of high-quality quartz glass
- Philips car lamps are highly resistant against humidity^
- Complying with high quality standards of ECE homologation

PHILIPS

Headlight bulb
Type of lamp: H3 Pack of: 2, 12 V,55 W

Highlights

Change by pairs

Highly recommended to change them by pairs for symmetric light performance

Increased contrast

With homogeneous yellow coating, WeatherVision offers the ultimate yellow light that penetrates better in adverse weather conditions to ensure a safer drive.

UV Resistant

Philips special anti-UV coating technology protects the headlights against harmful ultraviolet radiation, making Philips UV-coated quartz glass ideal for all driving conditions and ensures their longevity at the same time.

Car manufacturers' choice

For 100 years, Philips has been on the forefront of the automotive lighting industry, introducing technological innovations that have become standards on modern automobiles. Today, one in two cars in Europe and one in three worldwide, is equipped with Philips lighting.

High quality and visibility

WeatherVision provides you with up to 60% more vision* on the road so you see further ahead and notice obstacles and traffic signs earlier.

*Performance varies per bulb type

Designed for multiple usage

Which 12V lamp for which function? Philips Automotive offers all car specific functions : high beam, Low beam, front fog, front indicator, side indicator, rear indicator, stop light, reversing light, rear fog light, license plate lights, rear position/parking light, interior lights

ECE homologation

WeatherVision is fully compliant to ECE for road-legal use.

High quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. Philips quartz-glass lamps (filament 2 650° C and glass 800° C) are able to withstand severe thermal shock. With the capability to withstand increased pressure inside the lamp, UV-quartz glass is able to produce more powerful light. ^Application varies per bulb type

Resistance against humidity

Only a burning bulb made of quartz glass (filament 2650°c, glass 800°c) can resist thermal shocks : such as, if a drop of cold water touches the hot bulb, when you drive through water with a broken headlight unit. ^Application varies per bulb type

Specifications

Marketing specifications

- Expected benefits: Ultimate yellow light
- Product highlight: 2600K

Product description

- Application: Front fog light
- Base: PK22s
- Designation: H3 WeatherVision
- Homologation ECE
- Marking ECE: N/A
- Range: WeatherVision
- Technology: Halogen
- Type: H3

Lifetime

- Life time: 400 h

Light characteristics

- Color temperature: 2600 K
- Lumens: 1450 ±15% lm

Electrical characteristics

- Voltage: 12 V
- Wattage: 55 W

Ordering information

- Ordering code: 77872730

Packaging Data

- Packaging type: S2
- EAN1: 8711500778727
- EAN3: 8711500778734

Packed product information

- Width: 5.3 cm
- Height: 10.9 cm
- Net weight per piece: 6.38 g
- Gross weight per piece: 126,5 g
- Length: 10.9 cm
- Pack Quantity / MOQ: 20

Outerpack information

- Length: 27.6 cm
- Width: 22.8 cm
- Height: 12.6 cm
- Gross weight per piece: 2,53 kg

Issue date 2023-09-14
