PHILIPS

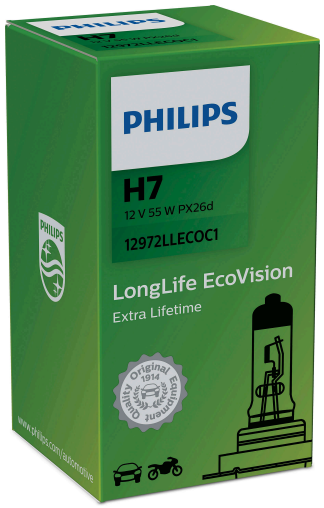
Headlight bulb

LongLife EcoVision

Type of lamp: H7

12 V,55 W

Long lasting, less replacement



12972LLECOC1

Drive with care

Higher lifetime, less replacement

Tired of changing your headlight bulbs all the time? With higher lifetime of a car bulb, Philips LongLife EcoVision is the choice for drivers seeking to minimise maintenance on their vehicles.

Very high quality and ultra resistant car lamp

- Philips car lamps are made of high-quality quartz glass
- Comply with the high quality standards of ECE homologation
- Philips car lamps are highly resistant against humidity
- Philips car lamps are highly UV resistant

Lasts significantly longer than a standard lamp

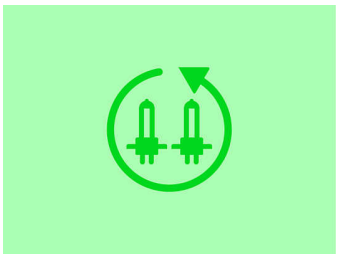
- Change both your headlamps at once for more safety
- Wide range of 12V lamps to meet all functions
- Less waste thanks to fewer replacement
- High quality filament design to minimize maintenance

Original Equipment manufacturer

- Award winning car lamp manufacturer
- Respecting high quality standards of the ECE homlogation
- Philips are the choice of major car manufacturers.

Highlights

Change by pairs



Highly recommended to change them by pairs for symetric light performance

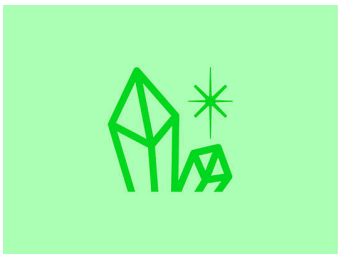
Designed for multiple usage

Which 12V lamp for which function ? Philips Automotive offering includes all car specific functions : high beam, Low beal, front fog , front indicator, side indicator, rear indicator, stop light, reversing light, rear fog light, license plate lights, rear position/parking light, interior lights.

ECE homlogation

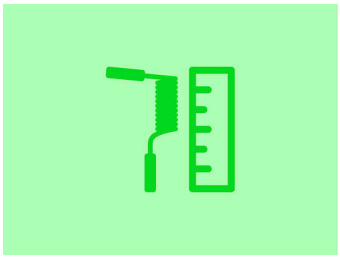
Philips automotive products and services are considered best-in-class in the Original Equipment Manufacturer market and the aftermarket. Manufactured from high quality products and tested to the highest specifications, our products are designed to maximize the safety and comfort of our customers' driving experience. Our entire product range is thoroughly tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements. Put simply, this is quality you can trust.

High quality quartz glass



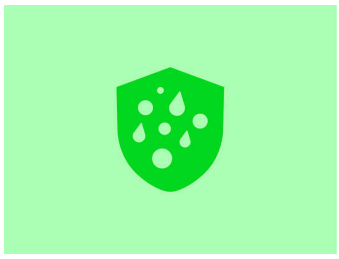
UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. Philips quartz-glass lamps (filament 2 650º C and glass 800º C) are able to withstand severe thermal shock. With the capability of increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light

Reduced maintenance



With Philips LongLifeEcoVision you need significantly fewer lamp replacements. This makes them the ideal lamp for high voltage cars.

Resistance against humidity

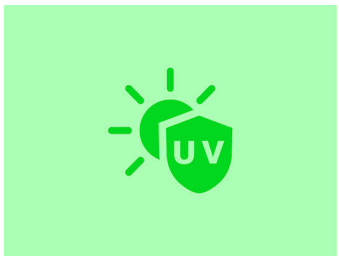


Only a burning bulb made of quartz glass (filament 2650°c, glass 800°c) can resist thermal shocks : if a drop of cold water touches the hot bulb, which can happen when you drive through water with a broken headlight unit.

Rewarded Car lamps

Our lamps are often rewarded by automotive experts

UV Resistant



Philips special anti-UV coating technology protects the headlights against harmful ultraviolet radiation, making Philips UV-coated quartz glass perfect for all driving conditions and ensures their longevity

Specifications

Marketing specifications
Expected benefits: Long lasting
Product highlight: Higher lifetime

Product description
Application: High beam, Front fog light, Low beam
Base: PX26d
Designation: H7 LongLife EcoVision
Homologation ECE
Range: LongLife EcoVision
Technology: Halogen
Type: H7

Lifetime
Life time: 1500h

Light characteristics
Lumens: 1500 ±10% lm
Color temperature: Up to 3100 K

Electrical characteristics
Wattage: 55 W
Voltage: 12 V

Ordering information
Order entry: 12972LLECOC1
Ordering code: 36192660

Packaging Data
Packaging type: CP
EAN1: 8727900361926
EAN3: 8727900371024

Packed product information
Width: 3.5 cm
Height: 6.5 cm
Net weight per piece: 11.8 g
Gross weight per piece: 17.5, 46 g
Length: 3.5 cm
Pack Quantity: 1
MOQ (for professionals): 10

Outerpack information
Length: 37 cm
Width: 18 cm
Height: 13.5 cm
Gross weight per piece: 1.75 kg
