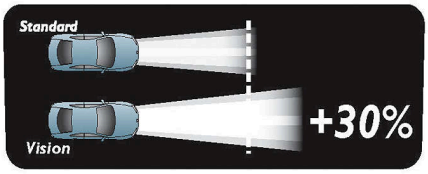
localizer1
- Philips is the choice of all major car manufacturers.

A better performance than a standard car head lamp
- Up to 30% more vision on the road*

Original Equipment manufacturer
- Philips is the choice of major car manufacturers

Highlights

Greater safety and comfort



Our Vision upgrade headlight bulbs produce a longer light-beam projection for greater safety and comfort.

Car manufactuer choice

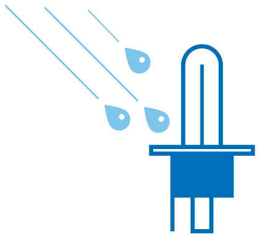
For 100 years, Philips has been on the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting

High quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion.

Philips quartz-glass lamps (filament 2 650º C and glass 800º C) are able to withstand severe thermal shock. With the capability of increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light

Resistance against humidity



Only a burning bulb made of quartz glass (filament 2650°c, glass 800°c) can resist thermal shocks : if a drop of cold water touches the hot bulb, which can happen when you drive through water with a broken headlight unit.

Original equipment quality

For over 100 years, Philips has been on the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern cars. Today, one in three cars worldwide is equipped with a Philips light source.

Specifications

Marketing specifications

Expected benefits: More light
Product highlight: Up to 30% more vision

Product description

Application: High beam, Front fog light, Low beam
Base: P14,5s
Designation: H1 Vision
Homologation ECE
Marking ECE: E1 21P
Range: Vision
Technology: Halogen
Type: H1

Lifetime

Life time: 400h

Light characteristics

Lumens: 1690 +5% -7% lm
Color temperature: Up to 3200 K

Electrical characteristics

Wattage: 55 W
Voltage: 12 V

Ordering information

Order entry: 12258PRB1
Ordering code: 47516930

Packaging Data

Packaging type: B1
EAN1: 8711500475169
EAN3: 8711500475176

Packed product information

Width: 9.5 cm
Height: 13.5 cm
Net weight per piece: 6.255 g
Gross weight per piece: 22 g
Length: 2.568 cm
Pack Quantity / MOQ: 10
Pack Quantity: 1
MOQ (for professionals): 10

Outerpack information

Length: 19.5 cm
Width: 15.3 cm
Height: 11 cm
Gross weight per piece: 0.22 kg
