- Base: P20d
- Designation: HB3 DiamondVision
- Homologation ECE: NO
- Range: DiamondVision
- Technology: Halogen
- Type: HB3

Electrical characteristics

- Wattage: 65 W
- Voltage: 12,8 V

Ordering information

- Order entry: 9005DVB1
- Ordering code: 53295130

Packaging Data

- Packaging type: B1
- EAN1: 8727900532951
- EAN3: 8727900532968

Packed product information

- Gross weight per piece: 32.1 g
- Length: 9.5 cm
- Width: 3.6 cm
- Height: 12.9 cm
- Net weight per piece: 19.7 g
- Pack Quantity: 1
- MOQ (for professionals): 10

Outerpack information

- Length: 19 cm
- Width: 19 cm
- Height: 13 cm
- Gross weight per piece: 0.423 kg

Highlights

Blue coating for whiter light

Philips DiamondVision headlight lamps provide the perfect choice for drivers who want a crisp white look for their headlights. Thanks to the Philips patented coating technology, DiamondVision provide a truly white light for great visibility and style.

High-quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. Philips quartz-glass lamps (filament 2 650° C and glass 800° C) are able to withstand severe thermal shock. With the capability of increased pressure inside the lamp, UV-quartz glass is able to give a more powerful light.

Increased beam performance

Featuring 10% greater beam performance*, this blue-coated, high-quality quartz-glass lamp has the same power consumption as a standard halogen lamp.

*Compared to a standard lamp

Quality off-road lights

We are dedicated to producing best-in-class Philips automotive products and services in the aftermarket. Our products are manufactured from high-quality materials and tested to the highest specifications to maximize the safety and driving comfort of our customers. Our entire production is meticulously tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000). Designed for off-road purposes, these lights are non-ECE homologated.

Stylish white for the city

Philips DiamondVision headlight lamps are the perfect choice for drivers who want a crisp white look for their headlights. Thanks to the Philips patented coating technology, DiamondVision provide a truly white light for great visibility and style.
