Headlight bulb  
Type of lamp: H11 Pack of: 2, 12 V, 55 W, Style

# Highlights

## Change by pairs

Highly recommended to change them by pairs for symmetric light performance

## 5000K white light for style

Philips DiamondVision Vision headlight lamps provide the perfect choice for drivers who want a crisp white look for their headlights. Thanks to the Philips patented coating technology, DiamondVision provide a truly white light for great visibility and style.

## Car manufacturers' choice

For 100 years, Philips has been on the forefront of the automotive lighting industry, introducing technological innovations that have become standards on modern automobiles. Today, one in two cars in Europe and one in three worldwide, is equipped with Philips lighting.

## Designed for multiple usage

Which 12V lamp for which function? Philips Automotive offers all car specific functions : high beam, Low beam, front fog, front indicator, side

indicator, rear indicator, stop light, reversing light, rear fog light, license plate lights, rear position/parking light, interior lights

## High quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, eliminating the risk of explosion. Philips quartz-glass lamps (filament 2650°C and glass 800°C) are able to withstand severe thermal shock. With the capability to withstand increased pressure inside the lamp, UV-quartz glass is able to produce more powerful lighting. \*Application varies per bulb type.

## Resistance against humidity

Only a burning bulb made of quartz glass (filament 2650°C, glass 800°C) can resist thermal shocks : such as, if a drop of cold water touches the hot bulb, when you drive through water with a broken headlight unit. \*Application varies per bulb type

## UV Resistant

Philips special anti-UV coating technology protects the headlights against harmful ultraviolet radiation, making Philips UV-coated quartz glass perfect for all driving conditions and ensures their longevity

# Specifications

## Marketing specifications

- Expected benefits: Style
- Product highlight: 5000K

## Product description

- Application: Front fog light
- Base: PGJ19-2
- Designation: H11
- Homologation ECE: NO
- Marking ECE: N/A
- Range: DiamondVision
- Technology: Halogen
- Type: H11

## Lifetime

- Life time: B3/Tc = 200/400

## Light characteristics

- Color temperature: up to 5000 K
- Lumens: 700 ±10% lm

## Electrical characteristics

- Wattage: 55 W
- Voltage: 12 V

## Ordering information

- Order entry: 12362DVS2
- Ordering code: 36017230

## Packaging Data

- Packaging type: S2J
- EAN1: 8727900360172
- EAN3: 8727900360189

## Packed product information

- Width: 5.3 cm
- Height: 10.9 cm
- Net weight per piece: 22 g
- Gross weight per piece: 126,5 g
- Length: 10.9 cm
- Pack Quantity / MOQ: 20

## Outerpack information

- Length: 27.6 cm
- Width: 22.8 cm
- Height: 12.6 cm
- Gross weight per piece: 2,53 kg
