- Application: High beam, DRL
- Base: PGJ23T-1
- Designation: 12580B1
- Homologation ECE
- Range: Vision, Standard
- Technology: Halogen
- Type: H15

Electrical characteristics

- Voltage: 12 V
- Wattage: 55/15W

Ordering information

- Order entry: 12580B1
- Ordering code: 20001730

Packaging Data

- Packaging type: B1
- EAN1: 8719018020017
- EAN3: 8719018020031

Packed product information

- Gross weight per piece: 36.3 g
- Length: 9.5 cm
- Width: 4.6 cm
- Height: 12.9 cm
- Net weight per piece: 23.3 g
- Pack Quantity: 1
- MOQ (for professionals): 10

Outerpack information

- Length: 25.5 cm
- Width: 19 cm
- Height: 13 cm

Highlights

Good lifetime and durability

Our lighting solutions produce a powerful and precise beam of light with maximum output. We consistently produce the best, most efficient lighting solutions because we know that our high-quality lighting may one day save a life.

High quality range

Philips automotive products and services are considered best-in-class in the Original Equipment Manufacturer market and the aftermarket. Manufactured from high quality products and tested to the highest specifications, our products are designed to maximise the safety and comfort of our customers' driving experience. Our entire product range is thoroughly tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements. Put simply, this is quality you can trust.

Change in pairs

It is highly recommended to change them in pairs for symmetrical light performance.

Wide 12V range

Which 12V lamp for which function? Philips Automotive offering includes all car specific functions: high beam, low beam, front fog, front indicator, side indicator, rear indicator, stop light, reversing light, rear fog light, licence plate lights, rear position/parking light, interior lights.
