# Highlights

## A premium driving experience

Outperforming any blue car bulbs on the market, Philips WhiteVision headlights are the right choice for drivers who want to drive with style without compromising on safety. With a high color temperature and a stylish white cap, WhiteVision is the ultimate upgrade for your headlamps. The Philips patented 3rd generation coating technology is an evolutionary masterpiece making WhiteVision the first headlamp with a truly white light.

## Crisp white beam

With up to 3700 Kelvin and an intense white light, Philips WhiteVision headlights illuminate the road ahead with a crisp white beam that eliminates darkness instantly. The premium beam for a premium driving experience.

## White Xenon effect

WhiteVision gives your car lights the premium look of high end cars.

## Up to 60% more vision

A longer beam pattern with 60% more vision enables you to see other road users more clearly. It

improves safety, giving you more time to react to potential hazards on the road ahead.

## Greater contrast, safer drive

Maximum white light with a color temperature of 3.700 Kelvin means your headlights give better reflections from road markings and signs. Whiter light keeps you alert at night, so you can enjoy a more comfortable driving experience at night.

## Best-in-class lifetime

Philips WhiteVision headlights (available in H1, H3, H4, H7, T4W and W5W) are designed to last. They offer you a long and reliable lifetime of 450 hours\*. That's significantly higher than competitive offerings. This results in fewer replacements and more value for money. (\*H4 and H7 tested at 13,2V standard voltage)

## The car manufacturers' choice

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting.

## High quality, high resistance

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of early failure. Philips UV-Quartz glass car lamps allow more pressure inside the lamp to produce a more powerful light and extended lifetime.

# Specifications

## Marketing specifications

- Expected benefits: Style
- Product highlight: Intense white xenon effect

## Product description

- Application: High beam, Low beam
- Base: PGJ19-1
- Designation: H8 12360 WHV 12V 35W PGJ19-1
- Homologation ECE
- Range: WhiteVision
- Technology: Halogen
- Type: H8
- Voltage: 12 V
- Wattage: 35 W

## Lifetime

- Life time: 400h

## Light characteristics

- Lumens: 800+/-15%
- Color temperature: 3700K

## Ordering information

- Order entry: 12360WHVB1
- Ordering code: 37471130

## Packaging Data

- EAN1: 8727900374711
- EAN3: 8727900374728
- Packaging type: B1

## Packed product information

- Gross weight per piece: 1 g
- Length: 9.5 cm
- Width: 3.6 cm
- Height: 12.9 cm
- Net weight: 44.6 g
- Pack Quantity: 1
- MOQ (for professionals): 10

## Outerpack information

- Length: 19 cm
- Width: 19 cm
- Height: 13 cm
- Net weight per piece: 0.22 g
- Gross weight per piece: 0.446 kg
