## Electrical characteristics

- Wattage: 4 W
- Voltage: 12 V

## Ordering information

- Order entry: 12929NBVB2
- Ordering code: 22105630

## Packaging Data

- Packaging type: B2
- EAN1: 8711500221056
- EAN3: 8711500221063

## Packed product information

- Gross weight per piece: 9.3 g
- Length: 6.7 cm
- Width: 2.7 cm
- Height: 12.8 cm
- Net weight per piece: 2.0 g
- Pack Quantity: 2
- MOQ (for professionals): 20

## Outerpack information

- Length: 15 cm
- Width: 13.5 cm
- Height: 13 cm
- Gross weight per piece: 186 g

# Highlights

## 100% road legal 100% road legal

WhiteVision is ECE certified and the first road-legal intense white light. It gives you the ultimate visibility without compromising safety by dazzling the car in front.

## 60% more light

An light output improved by 60% enables you to be seen by other road users more clearly. It improves safety, giving you them more time to react to potential hazards.

## A premium driving experience

Outperforming any blue car bulbs on the market, Philips WhiteVision lights are the right choice for drivers who want to drive with style without compromising on safety. With a color temperature of Xenon headlamps and a stylish white cap, WhiteVision is the ultimate upgrade for your signaling and interior lighting. The Philips patented 3rd generation coating technology is an evolutionary masterpiece.

## Best-in-class lifetime

Philips WhiteVision signaling lighting headlights (available in H1, H3, H4, H7, T4W and W5W) are designed to last. They offer you a long and reliable lifetime of 450 hours\*. That's significantly higher than competitive offerings. This results in fewer replacements and more value for money.

## Crisp white beam

With up to 3700 Kelvin and an intense white light, Philips WhiteVision headlights illuminate the road ahead with a crisp white beam that eliminates darkness instantly. The premium beam for a premium driving experience.

## Greater contrast, safer drive

Maximum white light in a position or stop application give better contrast to distinguish your vehicle from others, so you can enjoy a more comfortable driving experience.

## The car manufacturers' choice

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in three worldwide is equipped with Philips lighting.

## White Xenon effect

WhiteVision gives your car lights the premium look of high end cars.
