- Philips car lamps are highly resistant
- 100% road legal, 100% intense white light
- Philips is the choice of major car manufacturers

PHILIPS

Headlights

Type of lamp: H4 Pack of: 1, 12 V, 60/55 W, Style

Highlights

100% road legal

WhiteVision is ECE certified and the first road-legal intense white light. It gives you the ultimate visibility without compromising safety by dazzling the car in front.

A premium driving experience

Outperforming any blue car bulbs on the market, Philips WhiteVision headlights are the right choice for drivers who want to drive with style without compromising on safety. With a high color temperature and a stylish white cap, WhiteVision is the ultimate upgrade for your headlamps. The Philips patented 3rd generation coating technology is an evolutionary masterpiece making WhiteVision the first headlamp with a truly white light.

Best-in-class lifetime

Philips WhiteVision headlights (available in H1, H3, H4, H7, HB3) are designed to last. They offer you a long and reliable lifetime of 450 hours*. That's significantly higher than competitive offerings. This results in fewer replacements and more value for money. (*H4 and H7 tested at 13,2V standard voltage)

Car manufacturers' choice

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing

technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting.

Crisp white beam

With up to 3700 Kelvin and an intense white light, Philips WhiteVision headlights illuminate the road ahead with a crisp white beam that eliminates darkness instantly. The premium beam for a premium driving experience.

Greater contrast, safer drive

Maximum white light with a color temperature of 3700 Kelvin means your headlights give better reflections from road markings and signs. Whiter light keeps you alert at night, so you can enjoy a more comfortable driving experience at night.

High quality, high resistance

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of early failure. Philips UV-Quartz glass car lamps allow more pressure inside the lamp to produce a more powerful light and extended lifetime.

Up to 60% more vision

Light output improved by up to 60%, enabling you to be seen more clearly by other road users. This improves safety, giving you more time to react to potential hazards.

White Xenon effect

WhiteVision gives your car lights the premium look of high end cars.

Specifications

Marketing specifications

- Expected benefits: Style
- Product highlight: Intense white xenon effect

Product description

- Application: High beam, Low beam, Additional high beam
- Base: P43t-38
- Designation: H4 WhiteVision
- Homologation ECE
- Marking ECE: E1 2C3
- Range: WhiteVision
- Technology: Halogen
- Type: H4

Lifetime

- Life time: 400h

Light characteristics

- Lumens: 1000±15%, 1650 ±15% lm
- Color temperature: up to 3700K

Electrical characteristics

- Wattage: 60/55 W
- Voltage: 12 V

Ordering information

- Order entry: 12342WHVB1
- Ordering code: 36985430

Packaging Data

- Packaging type: B1
- EAN1: 8711500221032
- EAN3: 8711500221049

Packed product information

- Width: 2.7 cm
- Height: 12.9 cm
- Net weight per piece: 21 g
- Gross weight per piece: 32.4 g
- Length: 9.5 cm
- Pack Quantity: 1
- MOQ (for professionals): 10

Outerpack information

- Length: 29.9 cm
- Width: 20.1 cm
- Height: 14.6 cm
- Gross weight per piece: 0.765 kg
