# Highlights

## Car manufacturer choice

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting .

## ECE homologation

We are dedicated to producing best-in-class Philips automotive products and services in the aftermarket. Our products are manufactured from high-quality materials and tested to the highest specifications to maximize the safety and driving comfort of our customers. Our entire production is meticulously tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000).

## Designed for multiple usage

Which 12V lamp for which application? Philips Automotive offering includes all car specific functions : license plate lights, rear position/parking light, glove box lights, interior signaling, front parking lights.

## Change in pairs

It is highly recommended to change them in pairs for symmetrical light performance.

## Good lifetime and durability

Our lighting solutions produce a powerful and precise beam of light with maximum output. We consistently produce the best, most efficient lighting solutions because we know that our high-quality lighting may one day save a life.
