- Technology: LED
- Type: LED-T10 [~W5W]

Lifetime

- Life time: 3000 hrs

Light characteristics

- Lumens: 55
- Color temperature: 6000 K

Electrical characteristics

- Wattage: 0.6 W
- Voltage: 12 V

Ordering information

- Order entry: 11961U30CWB2
- Ordering code: 00694330

Packaging Data

- EAN1: 8719018006943
- EAN3: 8719018006950
- Packaging type: B2

Packed product information

- Gross weight per piece: 14.47 g
- Length: 9.5 cm
- Width: 1.5 cm
- Height: 13.5 cm
- Net weight per piece: 2.3 g
- Pack Quantity: 2
- MOQ (for professionals): 10

Outerpack information

- Length: 14.2 cm
- Width: 12.1 cm
- Height: 10.3 cm
- Gross weight per piece: 0.49 kg

Highlights

Bright and vibrant signals

Signaling the intended movement of your vehicle is vital to your safety. To avoid collisions, other people need to know what you're doing. And when poor weather reduces visibility, the need for bright and vibrant signaling becomes even greater. Philips Ultinon Pro3000 LED signaling lights provide you with a bright daylight effect plus up to 6000 K for positioning and interior lighting. Your car says a lot about you, so make a style statement with Philips LED signaling lights.

Good light distribution

Whether it's for parking lights, glove compartment, dashboard or trunk lighting, Philips Ultinon Pro3000 LED gives you uniform light distribution. Its wide angle ensures that the light is projected where you need it.

Ready, steady, installed!

Enjoy the plug-and-play experience: Philips Ultinon Pro3000 comes with standard caps so replacement is easy and quick.

Long-lasting LED lighting

You want bright and stylish car lights, but you don't want to keep replacing failed lamps. That's a major weakness of conventional headlights - the more powerful the light, the shorter its lifespan. At the same light intensity, LEDs last much longer. Philips Ultinon Pro3000 LED lights are extremely durable with their lifetime of 3,000 hours.
