

PHILIPS

car headlight bulb

Vision

Type of lamp: H1

Pack of: 1

12 V,55 W

12258PRC1

Feel safe, drive safe

Up to 30% more vision compared to a standard lamp

Producing up to 30% more vision compared to a standard car bulb, Vision headlight bulbs ensure excellent light-beam performance at a very competitive price with Original Equipment Quality for greater safety and comfort.

Very high quality and ultra resistant car lamp

- Philips car lamps are made of high-quality quartz glass
- Philips car lamps are highly resistant against humidity
- Philips car lamps are highly UV resistant

A better performance than a standard car head lamp

- Vision bulbs project longer light beams than standard lamps
- Road safety begins with seeing and being seen
- Wide range of 12V lamps to meet all functions
- Change both your headlamps at once for more safety

Original Equipment manufacturer

- Philips is the choice of major car manufacturers
- Respecting high quality standards of the ECE homologation
- Award winning car lamp manufacturer

Highlights

Up to 30% more vision

Our lighting solutions produce a powerful and precise beam of light with maximum output . We consistently produce the best, most efficient lighting solutions because we know that our high-quality lighting may one day save a life

Better visibility and reaction

Light is a fundamental part of the driving experience and light is the first and only part of the safety circle that actually helps prevent accidents. Philips promotes active safety protection to prevent accidents by increasing overall visibility and road illumination.

Car manufacturer choice

For 100 years, Philips has been on the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting

Change by pairs

Highly recommended to change them by pairs for symmetric light performance

Designed for multiple usage

Which 12V lamp for which function ? Philips Automotive offering includes all car specific functions : high beam, Low beam, front fog , front

indicator, side indicator, rear indicator, stop light, reversing light, rear fog light, license plate lights, rear position/parking light, interior lights.

ECE homologation

Philips automotive products and services are considered best-in-class in the Original Equipment Manufacturer market and the aftermarket. Manufactured from high quality products and tested to the highest specifications, our products are designed to maximize the safety and comfort of our customers' driving experience. Our entire product range is thoroughly tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements. Put simply, this is quality you can trust.

High quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. Philips quartz-glass lamps (filament 2 650° C and glass 800° C) are able to withstand severe thermal shock. With the capability of increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light

Highlights

Resistance against humidity

Only a burning bulb made of quartz glass (filament 2650°C, glass 800°C) can resist thermal shocks : if a drop of cold water touches the hot bulb, which can happen when you drive through water with a broken headlight unit.

Rewarded Car lamps

Our lamps are often rewarded by automotive experts

UV Resistant

Philips special anti-UV coating technology protects the headlights against harmful ultraviolet radiation, making Philips UV-coated quartz glass perfect for all driving conditions and ensures their longevity

Specifications

Marketing specifications

Expected benefits: More light

Product highlight: Up to 30% more vision

Product description

Application: High beam, Front fog light, Low beam

Base: P14,5s

Designation: H1 Vision

Homologation ECE

Range: Vision

Technology: Halogen

Type: H1

Lifetime

Life time: Up to 400h

Light characteristics

Lumens: 1690 +5% -7% lm

Color temperature: Up to 3200 K

Electrical characteristics

Wattage: 55 W

Voltage: 12 V

Ordering information

Order entry: 12258PRC1

Ordering code: 82985660

Packaging Data

Packaging type: C1

EAN1: 8711500829856

EAN3: 8711500829863

Packed product information

Width: 2.5 cm

Height: 8.5 cm

Net weight per piece: 6.255 g

Gross weight per piece: 10.66 g

Length: 2.5 cm

Pack Quantity: 1

MOQ (for professionals): 100

Outerpack information

Width: 13.8 cm

Height: 18.5 cm

Gross weight per piece: 1.066 kg
