AWP2938WHTA1/79

XXL 4.0L water jug, serving the whole family

Adjusts filtered water to a natural pH level**

Blended with natural mineral rocks and granular activated carbon, the Micro X-Clean Alkaline filter infuses water with minerals and turns it to alkaline, while reducing substances such as chlorine, microplastics, and more.

Crisp and pure tasting water

- Turns tap water to alkaline with pH of above 7.5*

Thoughtful design for your convenience

- Digital timer reminds you when to replace the filter
- Flip top lid for single-handed refill
- Dust-proof spout keeps water fresh and clean
- Dishwasher safe

Good for you, and good for the environment

- Delicious water at a fraction of the cost of bottled water
- Made of BPA-free material

Highlights

Micro X-Clean Alkaline filter

Blended with natural mineral rocks and granular activated carbon, the filter firstly reduces chlorine, lead, chemicals, and microplastics, then infuses the water with minerals such as magnesium and turns it alkaline.

Digital timer

Digital timer reminds you when to replace the filter for the best result.

Easy fill lid

Flip top lid for single-handed refill.

Dust-proof spout

By preventing dust from getting in through the water outlet, the dust-proof spout keeps the water fresh and clean.

Dishwasher safe

The water jug and the funnel are dishwasher safe (max 50 Celsius). If there is no timer, the lid is also dishwasher safe. *The lid with timer and the filter cartridge are not dishwasherable.

Economical and eco-friendly

Great tasting water at a fraction of the cost and waste of bottled water.

BPA-free

Made of food grade BPA-free material, it will be safe and healthy for both adult and children.
